The Health Department Wants to Hear From You!

The Moore County Health Department is seeking input from the community. An opinion survey of 5 questions is currently posted on the health department website. The short survey takes only a few minutes to complete and is part of the department's accreditation process through the North Carolina Local Health Department Accreditation Board.

"We want to assess the services our agency offers and gather information on other services our citizens may want our department to provide", states Robert Wittmann, Health Director.

The survey will run from June 14 to July 20. Citizens are encouraged to complete the survey on the department's website, www.moorecountync.gov/health, or may pick up a hard copy of the survey at one of the department's three facilities listed below:

Animal Center – 5235 Highway 15-501, Carthage
Environmental Health – 1042 Carriage Oaks Drive, Carthage
Health Department – 705 Pinehurst Avenue, Carthage

For more information, please contact the health department at 947-3300.
